“HOW TO MAKE” FUN GUIDE: FUNKY GLASSES

You will need:

- 2 Glow Yellow sticks
- 2 Glow Orange sticks
- 4 Glow Pink sticks
- 5 Glow Blue sticks

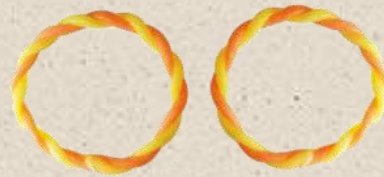

Scissors

1

Step 1:

Start by twisting together 1 yellow stick with 1 orange stick. Join the ends of the twist together to form a circle. Repeat this step so you have 2 circles.

2

Step 2:

Join the 2 circles with a bridge of blue stick as shown. Trim off any excess with scissors.

3

Step 3:

Next, make the arms of the glasses. Join together the ends of the 2 pink sticks and 2 blue sticks (to create longer sticks of each color).

4

Step 4:

Twist these 2 extra-long sticks together, fold them into half, and attach them to the 2 circles as shown. Repeat for the other side.
