# “HOW TO MAKE” FUN GUIDE: DECORATE YOUR FLIP FLOPS!

## Flip Flops

### You will need:

- 12 Orange
- 8 Neon Green
- 8 Neon Yellow
- 6 White
- 4 Neon Blue
- Scissors
- 1 Pair of Flip Flops

1

### Step 1:

Start with a plain pair of flip flops. Press 2 white Wikki Stix onto the area that you want to cover as shown. Then wrap one Wikki Stix at a time around this area alternating 1 yellow stick, 1 orange stick, and 1 green stick until the entire area is covered. 2 white tails should still be exposed in the center as shown. Do the same for the other flip flop.

### Step 2:

Next, you will make 2 stars to press onto the center of each flip flop. For each star, begin by drawing a star with 1 blue Wikki Stix. Then use 1 more blue Wikki Stix to fill in the center as shown.

### Step 3:

On each flip flop, loop 2 white tails over each other, like a heart, and press down. This creates a spot for the stars to sit on.

### Step 4:

Finally, press 1 star onto each flip flop and press down. Outline each star with 1 more white Wikki Stix. Trim off any excess with scissors.
