“HOW TO MAKE” FUN GUIDE: FOOTBALL

You will need:

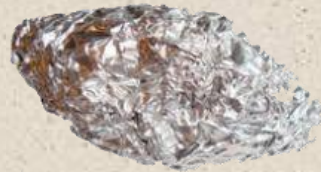

12 Orange sticks
2 White sticks

Scissors 

1

Step 1:

Use aluminium foil to create a football-like shape that you can wrap completely in orange Wikki Stix (12 sticks in total).

2

Step 2:

It helps to first press 2 orange Wikki Stix onto the foil running the long length of the ball (as shown). This will help to give the sticks something to stick to as you coil them around the ball.

3

Step 3:

Cut one white Wikki Stix into half, and use these two pieces to create a white ring around each end of the ball as shown.

4

Step 4:

Use 1/4 of another white Wikki Stix to create a line down the middle of the ball.

5

Step 5:

Use small pieces of the remaining white Wikki Stix to create the stitching on the ball as shown.
